What do you plan to feed your new cat or kitten? _____

Have you ever surrendered or rehomed a pet before? n Yes n No If yes, please explain:

IMPORTANT TERMS AND CONDITIONS

Applications are only accepted in person during a paid Cat Lounge visit or by email (thecatcottage@yahoo.com).

Applications may take up to two (2) weeks (in some cases longer) for review and decision by our rescue partner.

You may list up to three (3) cats or kittens for consideration, but approval for a specific cat or kitten is not guaranteed. Multiple applications may be received for the same animal, and only one family can be selected.

If selected for adoption, you will have 72 hours to respond to The Cat Cottage with your acceptance and to pay the required adoption fee to secure your adoption.

Adoption Fees: Kittens under 6 months: \$195 | Cats 6 months or older: \$129 | Special pricing may apply to senior cats, special needs cats, or bonded pairs.

Deposit Policy: Kittens not yet fixed require a \$100 refundable deposit until proof of spay/neuter is provided to The Cat Cottage or The Alaska Cat Café. Deposits must be claimed within 3 months. No refunds after 3 months.

Once a cat or kitten leaves our care, The Cat Cottage is no longer responsible for its healthcare or any medical expenses.

Cats and kittens available for adoption are presumed healthy, but no health guarantees are made or implied.

By submitting this application, you acknowledge the inherent risks of adopting from an animal rescue and release The Cat Cottage, its vet partners, staff, and The Alaska Cat Café from all liability related to the animal's future health or behavior.

If you no longer wish to keep your adopted cat or are unable to provide for its care, you agree to surrender the animal back to The Cat Cottage. Rehoming independently or abandoning animals is prohibited.

Do you have anything to add to your application?
